Remarks :

The 5.5 WA ("Walk Around") from Jeanneau is a compact, stylish outboard-powered boat designed for flexible use: day cruising, short overnight stays, watersports, sunbathing, excursions. The WA layout (walk around) means you can move around the cabin forward to the bow easily, via side decks, which adds safety and comfort at anchor or underway.

"Garnic" is a very nice example of a 2016 Cap Camarat 5.5 WA which comes with a Yamaha 80hp outboard engine, ski mast, front sundeck mattress and ample seating.

She has just had a fresh engine service in April 2026 so is ready to go for the summer. Full service history from new as well as a full trailer service in 2025.

To arrange a viewing please call 01243 550042.
