Remarks :

The Hanse 458 is a true standout in the 45-foot category — modern, quick under sail, and remarkably easy to handle. Delivered new in June 2025 and showing virtually no signs of use, this example is presented in pristine, turnkey condition. With a powerful sail plan, self-tacking jib, in-mast furling and upgraded winches, she’s set up for effortless handling. Below decks, the three-cabin layout includes a bright saloon, fully equipped L-galley, and two heads with separate showers. She benefits from Flexiteek decks, premium lighting upgrades, and stylish Black Quartz finishes. Under a professional maintenance programme since delivery, and with a **marina berth paid until June 2026**, she represents a hassle-free, ready-to-go package. EU VAT is not paid, offering more appeal for non-EU buyers.

Highlights Listed below but included in Full Specs:

- Delivered new June 2025** with under 100 engine hours
- Marina berth included, paid up to June 2026
- Yanmar 4JH57 57HP engine with saildrive
- Flexiteek in cockpit and bathing platform
- Upgraded Scenario Light System and dimmable LED lighting
- Owner’s layout: A1/B1/C2 with two heads and separate showers
- Under professional maintenance since delivery
- Fully commissioned and ready for immediate handover

REMARKS

This Hanse 458 is a rare opportunity to step into a nearly-new yacht without the long lead time or the initial commissioning hassle. Delivered in June 2025 and used sparingly, she still has that “new boat” feel. With her sleek lines, modern systems, and an owner-focused layout, she’s equally suited to island cruising or extended stays aboard. The engine has logged under 100 hours and the yacht benefits from a full maintenance programme. Flexiteek decks, upgraded sails and electronics, and luxurious interior finishes make her a pleasure to spend time on. Better still, a **marina berth is secured until June 2026**, and with EU VAT not paid, she’s particularly attractive for non-EU or commercial ownership. Available immediately and ready for the season.

Accommodation :

Full Specification

CONSTRUCTION

- GRP hull, isophthalic gelcoat in Signal White (RAL 9003)
- Waterline and cove line gelcoat in Dark Grey (RAL 7043)
- GRP deck with antislip finish and balsa sandwich core

 NONE
 HISTORY
 Commissioned in June 2025 and maintained to professional standards since launch, this Hanse 458 has seen very light use. She remains in excellent, nearly new condition, and is offered for sale only due to a change in the owners' plans after falling in love with the cruising area and now looking at property.
 This is a standout opportunity to secure a nearly-new, comprehensively specified Hanse 458 with no wait

time, a fully paid marina berth, and professional upkeep from day one. Viewings are highly recommended — contact us today to arrange your private inspection or to receive further details.
