Four : Non
Réchaud gaz : Non
Chauffage : Non
Lave-vaisselle : Non
TV : Non

Divers

Remarks :

Presenting the Kingfisher 166 built in 2010 by Clarkson Marine in South Wales. They are well made, have excellent sea keeping and highly regarded as a better alternative to a Warrior.

She has been in storage most of her life, and is only showing 22 hours on the Evinrude Etec 60hp outboard engine. The engine comes fully serviced for the new owner.

Internally she has a good sized cockpit, with a smart folding rear bench seat. Two forward facing seats for the helmsman and passenger. Fully protected by a large windscreen, surrounded by neat stainless steel framework and a radar arch / frame above. An open cuddy has seating, with storage. Access into the anchor lock from cuddy and hinged door on deck.

She is sat on a Bramber single axle braked road trailer in good shape.

Lay ashore with Yachts Co Milford Marina SA73 3AY, in our brokerage yard. Call us today for viewing on 01646 278270.
