**Remarks :**

**Astrea 42 Maestro | Owner Version | Private** &nbsp; | Preveza, Greece

One of the most completely equipped 2023 Astrea 42 Maestros currently available in Europe &mdash; and one of the few in immediate private ownership, without charter encumbrance or delivery delay. Australian-owned since new, never chartered, and upgraded with purpose, "Migaloo II" is a first-ownership example built to a specification that goes well beyond factory standard: Victron lithium power, 800 W solar, 9 kW generator, full air conditioning, Garmin electronics, Starlink, and 100 m of chain among her inventory. A winner at the 2025 Fountaine Pajot Owners' Rendezvous, she lies in Preveza, Greece, fully commissioned and ready to go.

**Highlights listed below but included in the specifications:**

- One-owner 2023 Astrea 42 Maestro &ndash; Private owners'; three-cabin version
- Victron-based lithium battery bank &ndash; 4 &times; 280 Ah LiFePO<sub>4</sub> (&asymp;14.3 kWh)
- 800 W solar array with Victron MPPT controllers
- Full remote system monitoring via phone or tablet
- 9 kW Onan generator + twin alternators (on both Volvo D2-50s)
- Victron Quattro II 3 kW inverter/charger
- 6 &times; Frigomar air-conditioning units (56,000 BTU total)
- Aquabase 12 V watermaker (105 L/h) + Acuva UV freshwater system
- 100 m Grade 70 chain + 33 kg Rocna anchor + 2 spares
- Twin mooring reels for easy Med-style berthing
- Highfield Hypalon tender + Yamaha F20 with console helm
- Premium Garmin electronics suite + Starlink + Iridium Go
- Bosch washing machine and dishwasher + fully equipped galley
- Extensive sunshades, cockpit cushions, and custom storage details
- Full safety gear incl. 10-man liferaft, EPIRB, PLBs, and defibrillator
- Winner &ndash; 2025 Fountaine Pajot Owners'; Rendezvous

**Broker's Remarks**

*Migaloo II* &nbsp; combines the comfort and styling of Fountaine Pajot's latest designs with genuine self-sufficiency and reliability. Her proven &nbsp; Victron/Onan hybrid energy system &nbsp; delivers quiet, dependable off-grid operation without the complexity of newer 48 V platforms. Every upgrade has been chosen with long-term cruising in mind &mdash; from solar and lithium power to UV-filtered freshwater, robust anchoring gear, and thoughtful interior refinements.

Meticulously maintained and continually improved, she represents an exceptional opportunity for a couple or family seeking a turnkey Astrea 42 in outstanding condition. Lying in Preveza, Greece, fully equipped and export-ready.

**Owner's Reflections**

*Migaloo II* &nbsp; has been a wonderful yacht for our group of friends &mdash; comfortable, capable, and well thought out. We've equipped her for independent cruising, not just weekend sailing, and she's proven herself in every way.

From the quiet confidence of lithium and solar power to the comfort of full air conditioning and shaded spaces at anchor, she's allowed us to enjoy the Mediterranean exactly as we'd hoped

&mdash; in comfort, style, and safety.</p><p>Her upgrades and small touches make life aboard easy: from 100 m of chain and mooring reels to extensive sunshades, cockpit cushions, spice racks, and curved furniture details. Everything has been chosen with care.</p><p>As part of our ownership agreement,&nbsp;<em>Migaloo II</em>&nbsp;</p><p>has also benefited from consistent end-of-season maintenance &mdash; every system is checked, and any issue resolved immediately. She&rsquo;s been our perfect base in the Ionian, and we hope her next owners enjoy her as much as we have.</p>

#### <strong>Accommodation :</strong>

&nbsp;</p><p><strong>ACCOMMODATION</strong></p><ul> <li>Cabins: 3 Queen cabins with fans and curtains</li> <li>Owner&rsquo;s Suite: Electric toilet (fresh/salt water), large walk-in shower</li> <li>Guest Cabins: 2&nbsp;   both with electric toilets (fresh/salt), Jack & Jill shared shower</li> <li>Beds: Slatted bases, toppers, linens, duvet, blankets, & pillows included</li> <li>Safe: Sygonix combination</li> <li>Carpentry modifications to increase storage and safety</li> <li>6 x Frigomar 220V 56K BTU air-conditioning units</li> </ul><p><strong>&nbsp;</strong></p><p><strong>LAYOUT:</strong>

&nbsp;</p><p>&nbsp;</p><p>&nbsp;</p><p><strong>HISTORY</strong>

Built in 2023 and delivered to her current private owners in La Rochelle,&nbsp;<em>Migaloo II</em>&nbsp;</p><p>has

been maintained to an exceptional standard and has never been chartered. She was the proud winner of the 2025 Fontaine Pajot Owners' Rendezvous and has benefited from continuous upgrades since launch, including lithium batteries, a comprehensive safety inventory, and an impressive suite of cruising equipment.

The yacht is owned by a small syndicate of like-minded individuals who were closely involved in the build process and have maintained her with a generous budget and high attention to detail. Their thoughtful ownership is immediately evident upon stepping aboard, with every aspect of the yacht reflecting careful care and investment.

#### **Mechanical :**

**CONSTRUCTION**

- Builder: Fontaine Pajot
- Model: Astréa 42 Maestro
- Year: 2023
- Hull Number: 208
- HIN: FR-FPA59208A323
- Class: Sailing Catamaran
- Hull & Deck: Fibreglass
- Keel Type: Mini keels
- Last Antifoul: January 2025

**DIMENSIONS**

- LOA: 12.58 m (41 ft 3 in)
- Beam: 7.2 m (23 ft 7 in)
- Draft: 1.25 m (4 ft 1 in)
- Air Draft: 21.65 m (71 ft)
- Displacement: 12,695 kg (light)

**MECHANICAL**

- Engines: 2 x Volvo Penta D2-50 (50 HP each) with MDi switches
- Hours: 1935 hours (July 2025)
- Last Engine Service: July 2025
- Drive Type: Saildrive
- Propellers: 3-blade Gori folding with rope cutters & prop speed
- Generator: Cummins Onan 9kW 220V/50Hz (serviced Jan 2025)
- Reinforced steering system from new

**PERFORMANCE**

- Good under sail and power with folding props and lightweight design
- Sail inventory includes high-performance sails and electric winches

**TANKAGE**

- Fuel: 470 L (Diesel)
- Water: 2 x 350 L
- Blackwater: 45 & 90 L (Starboard & Port)
- Hot Water: 40 L (Electric & starboard engine bay)

**ELECTRICAL**

- Domestic Batteries: 4 x 280AH Li Time Lithium (House, Mar 2025)
- Engine Start Battery: 2 x 50AH 800CCA
- Solar: 2 x 400W (800W total) with 2 x Victron SmartSolar MPPT 100/50
- Inverter: Victron Quattro II 12/3000 120-50/50 2x120V
- Alternator fitted to each engine to charge lithium batteries (standard is only one fitted to starboard engine)
- Shore Power: 220V
- Watermaker: Aquabase ESW901 12V & 105 L/hr

**RIGGING**

- Mast: Aluminium
- Standing Rigging: 2023
- Bowsprit: Yes
- Furlers: Yes
- Main Halyard: Replaced with 10mm Dyneema (upgrade)
- Radar reflector fitted

**SAILS**

- Main Sail: 68 m<sup>2</sup>; full batten with 3 reef lines (2023)
- Genoa: 41 m<sup>2</sup>; (2023)
- Gennaker: 120 m<sup>2</sup>; (2023)
- Winches: 3 Lewmar at helm (2 electric), 1 manual in saloon
- Lazy Bag reinforced
- Navigation Charts: France to T&uuml;rkiye

**NAVIGATION**

- Garmin Smart Cruising suite with:
  - 2 x GPSMAP (8412 at helm, 8410 in saloon)
  - GMR Fantom radar
  - AIS800 (Send & Receive)
  - GMI20, GND10, VHF 315
  - Autopilot with remote
- Starlink and modem, Iridium Go
- Hollyland Solidcom C1 2S duplex headsets (2)
