Divers

Remarks :

The Stingher 800 GT is an Italian-built high-performance rigid inflatable boat (RIB) that strikes a balance between sportiness, comfort, and seaworthiness. It is designed for owners wanting capable offshore performance, stylish finishes, and a layout that works both for thrilling rides and relaxed family outings.

"Don't Tell Mama" is an excellent example of the Stingher 800GT Rib. She has been well maintained in her current ownership lifted and dry stored every winter. The engine has been serviced annually since 2006 and is in perfect running order, with 442 hours run time. The Hyperlon tubes were replaced in 2016 and she has had many Navigation electronic and cosmetic upgrades and comes complete with road trailer. Ready to go and looking for new owners and new adventures.

Please contact 01243 550042 to arrange a viewing.
