## Divers

**Remarks :**

Crafted by&nbsp;Scorpion RIBs&nbsp;in Lymington &ndash; now part of the&nbsp;Twisted Marine&nbsp;family &ndash; this&nbsp;Serket 8.1&nbsp;reflects the very best of British performance boatbuilding. Designed around Scorpion&rsquo;s legendary deep-V hull, every detail has been considered to deliver balance, control, and refinement on the water.

**SCORPION APPROVED &ndash; Includes 6-Month Approved Used Warranty**

Powered by a&nbsp;Honda 250hp V6, the Serket reaches around&nbsp;45 knots&nbsp;with effortless composure. The ride is solid and predictable, with the confidence and precision that Scorpion hulls are renowned for.

At 13 years old, this example presents superbly. The hull remains fair and clean, the tubes immaculate, and the upholstery fresh with no visible signs of age &mdash; a true testament to the quality of the original build.

Finished with&nbsp;military grey Orca Hypalon tubes,&nbsp;Silvertex upholstery, and&nbsp;polished stainless detailing, the Serket 8.1 combines understated style with genuine capability. It&rsquo;s a boat that has been built to perform, engineered to last, and finished to impress.

Whether it&rsquo;s&nbsp;watersports with the family, or&nbsp;carving across the Solent, this is British engineering with soul &mdash; a&nbsp;Twisted Scorpion, built to go further, faster, and better.
