## Divers

**Remarks :**

One of the best-presented **Jeanneau Sun Odyssey 50 DS Owners Editions** available, *Trinity* (2010 model, built 2009) combines elegant design, powerful performance and the comforts of a true liveaboard cruiser. Privately owned from new and never chartered, she has been continually maintained and upgraded to a very high standard.

She represents outstanding value among comparable Sun Odyssey 50 DS yachts. Her specification includes a 110 hp Yanmar turbo diesel, air conditioning with reverse-cycle heating, lithium battery bank with solar, hydraulic Besenzone passerelle with remote control, and a teak deck in excellent condition. Lying in Preveza, Greece, she is fully commissioned and ready to sail away.

**Highlights**

• EU VAT paid

• 3-cabin Owners Edition layout (Stateroom Forward)

• 110 hp Yanmar turbo diesel (upgrade from 75 hp) &ndash; approx. 1,400 hrs

• Teak deck and cockpit in excellent condition

• Stainless steel **solar arch 1,200 W** with tender davits (2024)

• Air conditioning with reverse-cycle heating

• 600 Ah Victron lithium battery bank

• Hydraulic Besenzone passerelle (2021)

• New mainsail (2023) and furling genoa with UV protection

Everything on board reflects careful ownership and readiness for immediate cruising.

**Why *Trinity* Stands Out**

Ready to cruise &ndash; no refit required.

Equipped for independent Mediterranean or blue-water sailing, *Trinity* offers upgraded power systems, modern comforts, and exceptional presentation. Her bright, airy saloon and owner's stateroom forward create an elegant yet practical living space for extended time aboard. At under &euro;220k VAT paid, she is among the best-value 50 DS yachts currently for sale in Europe.

Early viewing is strongly advised &ndash; she's ready to step aboard and sail away.

**Remarks**

It is rare to find a Sun Odyssey 50 DS presented to this standard, with such a consistent history of private ownership and professional maintenance. *Trinity* combines reliability, autonomy and comfort, ideal for extended Mediterranean or ocean cruising.

With her teak deck in excellent condition, upgraded electrical system, and desirable specification, she stands out as one of the best-value VAT-paid examples currently available.

Now Priced&nbsp;for a prompt and straightforward sale.

Viewing highly recommended.

**Accommodation :**

&nbsp;</strong><strong>This vessel features a complete 2024 electrical overhaul centred on advanced solar generation and  
lithium battery storage. The system enables fully off-grid operation, providing power for air conditioning, galley

appliances, and all electronic equipment without reliance on generators.

**Power Generation:**

- 45mm stainless steel solar arch with integrated tender davits (2024)
- Twin high-capacity 1250W SHARP solar panels (2024)

**Power Management:**

- VICTRON solar & shore power control systems (2024)
- VICTRON SmartBMV battery system monitor (2024)

**Batteries:**

- 600Ah LiFePO<sub>4</sub> domestic battery bank (2024)
- Premium 700Ah engine start battery (2024)
- 2x 150Ah bow thruster batteries

**Inverter:**

- 3500W pure sine wave inverter

**Shore Power:**

- 220V AC shore system
- Galvanic isolator (2024)

**Hot Water:**

- 40L calorifier with new electric element (2024)

**RIGGING**

- Sloop rigged
- Standing rigging (2009), tuned and inspected (2024)
- Running rigging replaced (2022)
- In-mast furling mainsail
- Furling genoa

**SAILS**

- Mainsail (2023)
- Genoa: 120% furling with matching UV (2023)
- Sunbrella UV protection on sails
