Divers

Remarks :

Colvic Sea Rover 28 - Refurbished in 2018 with a new Beta 20 Inboard Engine. Triple keel design, ideal for cruising around shallow waters and drying out in harbours.

A very solidly built cruising boat, with great potential. Requires some cosmetic attention, and offering fantastic value for money.

See our YouTube walkthrough for a closer look inside: <https://youtu.be/SM0JuTlgx2s>
