LM30 Motor Sailer – Quality Danish Craftsmanship with True All-Weather Capability for sale in Kent

The LM30 is a highly regarded Danish-built motor sailer, designed for those who appreciate solid craftsmanship, comfort, and versatility. Equally capable under sail or power, this popular model combines the performance of a sailing yacht with the practicality of a motor cruiser, making her ideal for year-round coastal and offshore cruising.

With her distinctive wheelhouse offering excellent protection and visibility, easy sail handling, and spacious interior layout, the LM30 provides safe and comfortable cruising for couples or families alike. Built to a very high standard with classic Scandinavian attention to detail, she represents a rare opportunity to own a proven and well-balanced motor sailer that is as capable as she is charming.

This LM30 has been well-maintained and cared for. She is only being sold as the owners are retiring from sailing.

Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

The **LM30** offers a well-planned and comfortable accommodation for up to five people, combining Scandinavian craftsmanship with a practical layout ideal for both coastal cruising and extended stays aboard.

Wheelhouse / Saloon:

The bright, spacious wheelhouse features large windows providing excellent visibility and ventilation. There is a comfortable helm position to starboard with full engine controls and instrumentation, and a settee to port that converts to a single berth. The aft sliding door opens to the cockpit for easy access. There cockpit has fitted cushions and a retractable cockpit table and good storage lockers.

Main Cabin:

Forward of the wheelhouse, the main saloon offers a U-shaped dinette to starboard with a folding table that converts into a generous double berth. Opposite helm position on the port is the well-equipped galley, fitted with a stainless-steel sink, two-burner gas hob, oven and grill, ample stowage, and a 12v refrigerator

Forecabin:

In the bow is a comfortable V-berth that can be used as two singles or converted to a double with an infill cushion. Storage is provided beneath the berths and in overhead lockers.

Heads:

To port, adjacent to the forecabin, is an enclosed heads compartment fitted with a marine toilet, washbasin, and shower facility with pressurised hot and cold water. Hot water is provided by the engine via a calorifer tank and a 240v immersion heater.

Interior Finish:

The interior showcases traditional Danish joinery in rich mahogany, complemented by light upholstery and practical teak-and-holly flooring, creating a warm and inviting atmosphere throughout. This is enhanced by the Volvo Flymotor heating systems. There is also a Radio/CD Player to speakers.
