## Divers

**<strong>Remarks :**

The Viko 21 is a modern trailer sailor that is excellently designed to give you as much space as is possible for a 21 foot yacht. The layout of the cockpit is well designed, allowing space for you and your crew to sail freely. Down below is similarly well designed with a single cabin with two double berths. The Viko 21 is a fast, manoeuvrable craft ideal for day trips, weekend trips and racing. Her centreboard with shallow draft lets you explore coastal regions and up shallow rivers.&nbsp;

'Angel' was launched in 2023 and is essentially a 'new' boat. She is a high specification version of a Viko 21 with imitation teak cockpit, a backstay fitted, tricolor nav lights, a roller reefing gib, a bilge pump and heads fitted, a fixed bowsprit for a 23 square metre gennika that is new and unused and cleats fitted to aft to control the gennika. She also comes with a trailer and a 5hp Mercury Sail Master outboard. This is the best Viko 21 on the market.&nbsp;

This is the ideal boat for experienced or inexperienced sailors looking for an exciting time on the water on a boat that also provides some comfortable accommodation.

She is available to view in Wareham 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.
