Chauffage : Non
Lave-vaisselle : Non
TV : Non

Divers

Remarks :

'October Star' is a 1995 built Aquastar Oceanstar 118. She was displayed as the Southampton boat show boat that year so was fitted out with a very high specification which includes Twin Volvo TAMD 200hp diesels, Eberspacher diesel heating (2021), new Raymarine Quantam radar and two new Axiom plotters (2023), upgraded long range fuel tanks, Bennet trims tabs, Lofrans electric windlass (2023) with controls at both helms and foredeck, pressurised hot and cold water system and much more.

Built by Aquastar in Guernsey, they have a very well respected reputation of building high quality and incredibly solid boats. She would be more than capable to do some serious cruising in or provides plenty of accommodation as a live aboard.

Lying afloat in Chichester marina, please call us on 01243 550042 for more information and to book an appointment to view.

Accommodation :

Accommodation:

Saloon:

- Overhead lighting
