Divers

Remarks :

'Joanne Clare' is a 1978 produced Sadler 32 but was fully commissioned and launched in 1980. She was purchased as a fully completed build baring her engine installation and interior fit out which was undertaken by her first and still current owners! Now retired, one owner was a well respected engineer and the other a carpenter.

She has been enjoyed by the current owners for 45 years of her life but they now wish to see her go to a good home who can continue to use the boat as they believe she should be. Being offered at a very reasonable price she comes equipped with a brand new Beta B-25hp engine in 2013.

Please call us on 01243 550042 for more information and to arrange a viewing.

Accommodation :

Accommodation:

5 berth in one cabin
Forward v berth with ensuite heads
Saloon with table and twin bunks
Chart table with navigation table and pilot berth
