Divers

<p>Looking for a new private yacht, yacht management or the best charter management program?

Together with our partners we offer ownership solutions, yacht management or charter management around the world.

Based on what you are interested and knowing your preference, you can count on us to inform and guide you in the best possible way. We steer your purchase course around tax issues and legal cliffs, towards the matching yacht, area and operator.

The offer is available with finance starting on 35% down payment, guaranteed revenue of 8% up to 7 years at a destination of your choice.

FORWARD COCKPIT
Walk along the side decks to reach the forward cockpit. This beautiful space has an unobstructed view over the ocean and is designed to meet your every need: whether sharing sundowners or laying back comfortably in the middle of the day under the shade sail.

Forward cockpit hosts nice amenities like plenty of cupholders, a nice coffee table and a sun protection to enjoy everymoment.

INTERIOR LAYOUTS: LIFE AT SEAâ€¦ IN GENTLE HARMONY
The stepped up lounge of the salon offers the best 360Â° panoramic view over the water.

Step into a spacious salon. Discover innovative concept of space. Thanks to the mast being stepped on the fore end of the saloon, the view is continuous.

The natural light, coming from the 360Â° vertical windows, and the new wood finishes â€œAlpi sand oakâ€ simply reinforce this feeling of space.

Wherever you are, the volume of this salon is impressive, allowing for an easy circulation. In addition, it offers all the practical solutions you would expect on a Lagoon.

Always more confort for the owners. The owner's cabin benefits as well from this lay out optimization and proposes, as standard, a large walk in dressing.

APPEALING FLYBRIDGE

The flybridge is optimized to occupy 80% of the roof with 2 large sunpads at the front of the helm station and a huge C shape seating area.
The central table can be lowered to create an XL sunbathing area.

The comfortable sofas allow you to welcome your guests to share and enjoy relaxing times, alongside the captain, at the helm of the Lagoon 51. Thanks to its modular seating, you can enjoy navigating the boat alone or with others.

Discover a truly convivial space.

Two stairs lead to the fly, one for the helmsman and one for the guests. This double access allows a great fluidity of connection between the living spaces of the boat.

This convivial place is appreciated at anchor but also during navigation. Thanks to full headroom in the flybridge, it can be safely used underway.

Maneuvers are at hand from steering station, while the guests can walk around without disturbing the helmsman.

The flybridge of the Lagoon 51 is innovative by the modularity of its spaces, its clever ergonomics and the coziness of this great living area.</p>
