Divers

<p>Do you like to sail in warm waters whilst getting a return on investment with a crewed yacht & charter management by Navigare Yachting?

This 80 Sunreef under a crewed charter management is a bespoke yacht designed for all-year navigation in supreme luxury. With an imposing presence, this ultramodern catamaran combines unrivalled living space with reliable performance and outstanding autonomy.

For yacht buyers looking to place this new yacht into crewed charter program with Navigare, the new Sunreef is a very attractive buy, available also with a SGB finance up to 70% of the investment.

Being a Yacht Investor means that you have ensured your investment and future dream holiday through our advanced knowhow, leading services and high standards.

We take care of everything so that you can experience and enjoy the freedom of sailing whenever you like and receive your return of investment.

For every boat a generous amount of the investment is reserved for maintenance, which guarantees a famous high quality and an increased resale value. All staff works according to Swedish ethics and standards and will take care of both our customers and your boat in the best possible way.

Interior

One of the most spectacular features on board the 80 Sunreef Power is the master suite which can be set up in the bow section of the main deck. With a double bed facing the bow terrace, a bathroom with a walk-in shower, dressing and desk, the suite is bathed in sun from the skylight glazing. The same space can also be used to install a large lounge with ample seating and access to the foredeck.

The main saloon opens wide onto the ample aft cockpit to combine the yacht's interior dining space with the outdoor relaxation areas, where more seating is available along with a wet bar. The fully customizable saloon can also accommodate for a large galley, depending on the layout selected and houses an elevated interior navigation station.

Entertainment & Water sports

Entertainment and sports gear on board include a Jet Ski, water skis, a floating swimming pool, an extra floating deck, pedal boards and fitness gear.

The immense volumes in the hulls of the 80 Sunreef Power give plenty of room to tailor every unit's

layout to the most specific requirements. The crew quarters along with the galley and crew mess can be accessed directly from the aft cockpit for more privacy on board. Multiple layout configurations are available to set up luxurious guest cabins for a supreme level of comfort on board.

Design

With a bold, contemporary hull styling, the 80 Sunreef Power incorporates classic stainless steel portlights, teak sole decks, high bulwarks and subtle ambience lighting. Her massive garage combined with an aft platform allows the 80 Sunreef Power to take her dinghy, numerous water toys and jet-ski anywhere she goes. Easily accessed from the saloon, the yacht's full-beam bow terrace is a vast, soothing retreat with amazing amounts of space for sunning and lounging. The 80 Sunreef Power's immense flybridge offers enough breadth to house a spa pool, a wet bar and generous seating all around.
