<p>THE Y9

BRINGS IMMEASURABLE JOY TO ITS OWNER

The luxury of being able to set out to sea self-sufficiently and with confidence is priceless. Even more enjoyable, is a comfortable, high performance and seaworthy yacht that sails fast and looks cool. Our Y9 delivers that in a way no other yacht can.

STYLISH LINES AND DETAILS

Speed, large interior spaces and a cutting-edge look characterize our Y9

Our brand new Y9 is the logical continuation of our models Y6, Y7 and Y8. The development of the Y9 was driven by requests from customers for an easy to sail and fast yacht that requires a small crew and has a fantastic volume.

PERFORMANCE

Already during her first test runs, the Y9 reached a speed of 26 knots. The total sail area is over 1000 square meters.

SAILING FUN

YYachts builds as light and safe as possible. This guarantees sailing fun even when other yachts are still motoring.</p>

Y9 pilot house The salon of the Y9 Pilot House has two levels. The upper one is for dining with a great view on the sea, the lower one is designed as a lounge area with sophisticated furniture.

Detail For the YV dark anodized fittings in matt optics were chosen. However, there is a choice of any manufacturer.
