## Divers

**Remarks :**

The Victoria 800 is a compact, seaworthy cruising yacht that offers classic lines and comfortable accommodation with lots of headroom and long bunks for her size. &nbsp;She has a manageable cutter rig with lines led aft to the cockpit for easy handling.

This Victoria 800 has been refurbished winter 2024-25 and looks great with the polished hull and new canvas work by Saturn Sails including a stackpack mainsail bag and a full cockpit enclosure which together with the Eperspacher heating makes her perfect for our Scottish weather. The recent upgrades include a reconditioned Volvo Penta 20hp engine with just 20 hours recorded. She also benefits from shore power, solar charging, Autohelm log and wind, Raymarine VHF and depth and some safety equipment.&nbsp;

Part exchange and finance available

**Accommodation :**

The forward cabin with V berths has an infill section to convert to a double berth and shelves to each side. There is an opening forehatch above and a forwards facing opening portlight. Main bulkhead with door separates this from the main saloon&nbsp;with bench settees to port and starboard (with lee cloths) and a central folding dining table. Opening portlights in the coach roof along each side with shelving above and behind the seating and lockers beneath. Hinged panel to port lowers for use as a chart table with plotter and storage behind.

An L shaped galley at aft end to port and opposite to starboard, hanging locker and the heads compartment. The central companionway covers the engine compartment and leads to the cockpit above. Internally all in great condition, blinds throughout, blue upholstery teak and holly flooring.&nbsp;

**Galley**

Dometic two burner alcohol hob

Stainless steel sink

Manually pumped cold water supply
