Remarks :
<p data-start="62" data-end="491">This Merry Fisher 695 presents as a well-cared-for and thoughtfully upgraded example. The hull was copper coated in 2020 for reduced maintenance, and it is powered by a Yamaha 150HP 4-stroke outboard showing 181 hours as of November 2025. Mechanical care has been thorough, with a full service completed in April 2025, new injectors fitted in June 2025, and new hydraulic steering hoses installed in August 2025.</p><p data-start="493" data-end="826">The boat is equipped with a bow thruster for easy manoeuvring, along with two serviceable batteries replaced in 2022. A new enclosure was fitted in 2024, enhancing comfort and extending the usable season. Electronics include a Garmin Echomap 755W with fishfinder and chart card, paired with a Garmin VHF for reliable communication.</p><p data-start="828" data-end="1020" data-is-last-node="" data-is-only-node="">Overall, this is a smart, lightly-used Merry Fisher 695 benefitting from key maintenance, sensible upgrades, and low engine hours&mdash;an appealing choice for cruising, fishing, or family days out.</p>

Accommodation :

<p>Wheelhouse and Cabin:</p><p>Glass sliding door to modern light wheelhouse and cabin</p><p>Wooden floors throughout
