Remarks :

The Bavaria 42 is a comfortable and versatile blue water cruiser with solid construction and a spacious, well-lit interior. Category A rated and durable, this vessel is ideal for long passages across open ocean and exploring coastlines. Designed by J&J design and built by Bavaria Yachts, the Bavaria 42 is a reliable sailing yacht that delivers excellent performance on the water. Her lead fin keel provides good stability and she has dual helms for visibility and flexibility in steering.

Down below, there is plenty of headroom even for taller individuals as well as plenty of room to entertain guests and crew in the saloon. She is fitted with a fully functioning galley equipped with an oven, 2 refrigerators and storage. 3 double cabins provide 6 berths. There is also an additional berth in the saloon. Light and airy with large windows and well-finished woodwork, the Bavaria 42 provides exceptional livability and comfort.

'Hebe' is in excellent condition throughout, having undergone multiple upgrades to be fitted out for a round U.K trip last year. This includes new standing rigging, new navigation equipment, new batteries and much more. She has been well cared for and maintained by previous owners with regular engine servicing and yearly antifouling. 'Hebe' is ready to sail at a moments notice.

She is available for viewing 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.

Accommodation :

6 Berths in 2 aft cabins and one forward cabin with an additional single berth in the saloon.
2 Heads both with showers
