Divers

Remarks :

Back on the market! I sold this boat in April, and the new owner loved owning a Hallberg Rassy so much he has upgraded to a HR 36!

1990 Hallberg-Rassey 312 Mk2. Late build, number 635 of 690 built.

Hallberg-Rassey's scream style, design and built quality. Well known for a dependable, sea kind design which will take you miles in safety and comfort.

"Quinta" is a clean, well maintained example which will not dissapoint on a viewing. Being a Mk2 design, she benefits from larger portlights, an extended saloon, raised superstructure and a separate toilet compartment. This doesnt sound much, but overall adds a lot more light, space and comfort to the boat whilst complementing the design of the Mk1. Her interior is in immaculate condition for her age, you would be forgiven thinking she is much newer than she is.

Powered by a Volvo Penta MD2003 Diesel engine, connected to a Volvo Penta Saildrive. Low 1300 running hours.

Sloop rigged, with new standing rigging fitted in 2019.

Overall "Quinta" is well worth a viewing if you are in the market.

2025 Survey.

She is lay afloat in Milford Marina, Milford Haven, Pembrokeshire, with Yachts Co Milford Haven 01646 278270.

Accommodation :

Bright, airy and spacious accomodation suited for long distance passages.

Well maintained teak woodwork, and high quality fixtures.

Large rear cockpit, teak layed decking with storage lockers beneath. Access to accomodation.
