Divers

Remarks :

We are pleased to bring to market this very smart and highly spec'd Jeanneau Merry Fisher 755. Featuring a navy 'legende' hull, brand new Honda 150hp engine in June 2023! new cockpit enclosure + sun awning in February 2025, side power bow thruster, Simrad plotter, Simrad autopilot, Lowrance VHF, fridge, saloon with berth conversion, separate heads compartment and many more.

'Blue Mist' presents well throughout and has clearly been cared for by her previous owners and having just had a hull polish she is ready to be enjoyed by her new owner. The Merry Fisher 755 is a tried and tested model offering a large cockpit space, practical galley, comfortable saloon, separate heads and a forward double bed all within an 8 metre package. It is easy to see why she has been such a popular boat over the years and continues to be so.

Her brand new engine (2023) at a cost of &#pound;16k along with her spec and condition means we do not think she will be around for too long!

Please call us on 01243 550042 for more information and to arrange a viewing.
