Remarks :

We are pleased to bring to market this 2023 Jeanneau Merry Fisher 795 Series 2 which is fitted with the popular Yamaha 200hp GETX Fly by wire outboard engine which has under 90hours use by 1 careful owner. 'Stand Easy' benefits from having a high specification and presents in very good condition.

Upgraded with copper coating for easy maintenance and a 2025 engine service with remainder of warranties still in place means she is ready to go for the upcoming season. A full cockpit enclosure will extend the boating season and the electric bow thruster will help both a new or seasoned boater with close quarter maneuvering, 'Stand Easy' offers new boat frills for a fraction of the price.

She was constructed in 2022 but to a 2023 model year.

Please call us on 01243 550042 for more information and to arrange a viewing.
