Divers

Remarks :

We are delighted to introduce the Jeanneau Merry Fisher 1295 Coupe. As the flagship of the Merry Fisher range, she is designed to impress, offering three comfortable cabins, two well-appointed heads, and a spacious saloon. The aft galley is thoughtfully positioned to serve both the saloon and the aft cockpit seating area, as well as the drop-down side deck, creating an excellent social layout.

Her elegant exterior lines and innovative hull design, complete with full-length windows, ensure she is just as striking from the outside as she is within.

Powered by triple Yamaha 300hp SBW engines and equipped with Yamaha joystick control, automatic Zipwake trim tabs, a bow thruster, and much more, she will arrive exceptionally well equipped for her fortunate new owner. Currently offered with an open specification, this gives you a fantastic opportunity to personalise her to your exact requirements.

Please contact us to discuss the available options and current availability.

Accommodation :

Large main forward cabin with double berth and ensuite access to heads with separate shower compartment

Twin port cabin

Twin starboard cabin

Day heads with separate shower compartment
