## Divers

**Remarks :**

**Finance and Part Exchange available**

The Westerly Seahawk 34 was designed as a spacious centre-cockpit family cruiser, known for its excellent sailing performance and high-quality construction. Its interior boasts standing headroom throughout. The saloon is bright, airy, and finely finished, featuring a large double-berth aft cabin with a seat and vanity unit, along with a well-designed forward twin layout.

'Sea Hawk' has been owned by the same person for the past 10 years. She is a **bilge-keel** version, ideal for&nbsp;shallow ports and anchorages. It is equipped with a Vetus bow thruster, and sails from Kemp (main and genoa), along with a stack pack installed in 2013. This well-maintained yacht is available with a berth at Largs Yacht Haven and is priced competitively. Early viewing is recommended.

**2019 Beta 30 HP** diesel engine.

The hull was treated with epoxy coating in 1996 and has since been free of osmosis
