Remarks :
The Jeanneau Cap Camarat 6.5 CC Series 3 is a dynamic and versatile centre console boat that perfectly blends sporty performance, thoughtful design and everyday functionality for memorable days on the water. Built on a completely redesigned hull by renowned naval architect Michael Peters, this model delivers confident handling, smooth seakeeping and a stylish, contemporary profile that’s equally at home on coastal cruises, watersports or family outings. Designed with both comfort and versatility in mind, the Cap Camarat 6.5 CC Series 3 features a spacious, ergonomic cockpit and a smart open layout that makes moving around the boat effortless. The forward cockpit offers generous seating with a wrap around bench that easily converts into a cosy sunbed which is ideal for lounging, socialising or soaking up the sun. Whilst the modular aft seating adapts to suit fishing, relaxing with friends or entertaining at anchor. The centre console design gives easy access from both sides, with a large storage compartment beneath that can be reached from the front or rear, helping to keep gear and essentials neatly stowed. Wide flush swim platforms and integrated handrails add practical convenience for swimming and water-based activities, making this model highly adaptable for watersports, fishing and family fun. Capable of accepting up to 200 HP of outboard power, the Cap Camarat 6.5 CC Series 3 offers lively performance and responsive handling, while still feeling safe and stable underway. With a fuel capacity of 170 L and CE Category C8 approval — plus space for up to eight people — it’s ideal for coastal days out, exploring bays and beaches, or cruising with friends and family. Sporty yet comfortable, beautifully styled and highly practical, the Jeanneau Cap Camarat 6.5 CC Series 3 delivers a perfect balance of performance, versatility and style for today’s boating lifestyle.

This particular example comes with the full benefit of Jeanneau's 10 year hull warranty and 3 year general fixture and fitting warranty along with Yamaha's 5 year outboard engine warranty.
