Remarks :
'Knot Workin' is a 2018 model year Merry Fisher 795 Marlin to 2019 specification. This two door version offers easy access to the walk around decks that makes moving around at sea easy and safe with her high guard rails and deep companionways. This example benefits internally from two swivel seats, a bench seat, removable table, sink and a marine head internally. On deck it has all that you need to enjoy fishing but also flexible seating with a rear face bench seat, fold out seats aft, port, electric anchor windlass, search light and more. Using the boat short handed is very manageable thanks to her bow thruster and midship cleats which both aid in berthing the boat. This particular example is also equipped with a fly-by-wire Yamaha engine control system that gives the helm smooth and more precise shifting. Current engine hours are circa 163.

She has just had a full valet clean, anti foul and engine service meaning she is ready to go for the upcoming season!
