## Divers

**Remarks :**

'Blueprint' is a lovely example of this Jeanneau Sun Odyssey 33i. She presents very well and is in exceptional condition internally having been well looked after and maintained by her three owners from new. Equipped with a Shoal keel she offers the ability to sail in shallower waters whilst still offering very good sailing performance.

Boasting an impressive specification including a Sleipner bow thruster, Webasto heating, B&G navigation aids and AIS. She also benefits from a number of recent upgrades such as; new spray hood 2025, new GPS 2024, standing rigging replaced December 2024, new alternator, all new batteries, sails laundered December 24 and all upholstery cleaned August 25. She is ready to be sailed away by her lucky new owner!

If you are in the market for an exceptionally well kept and presented boat then look no further. You'd be forgiven to mistake her for a new boat!

Please call us on 01243 550042 for more information and to book an appointment to view.

**Accommodation :**
