Hull last antifouled September 2025

**BRIG - Rigid Intelligent Boats**  
BRIG is synonymous with excellence for RIB users throughout the world. We are the biggest selling RIB brand across Europe, and the number one brand in Australia, Sweden, Holland, Finland and UK.

BRIG RIBs are designed and built entirely on location at our cutting edge, 100,000-square-foot headquarters in Europe. There, our expert team of designers and engineers (including a core team of ex-military aeronautical engineers) develop and apply new aero and hydrodynamic theories to continually push the boundaries of conventional boat design.

The **BRIG Navigator 610** has been designed and built with adventure in mind. The **BRIG Navigator 610** has a reinforced deep V hull, along with extended waterline length, extra-wide tubes and a square bow, all of which ensure a stable and dry ride, even at speed. This **BRIG Navigator 610** is powered by a **Suzuki** 150hp outboard and can carry 10 passengers in style and safety.

**EUROYACHTS DISCLAIMER**

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of the information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.
