Divers

Remarks :

The Hunter Legend 326 is a popular cruising yacht, offering a great balance of performance, comfort, and ease of handling. Built in 2003 by Luhrs Marine Limited and designed by Glenn Henderson, this example is well-equipped and ready for use. Her B&R rig with double spreaders and stainless steel mast struts provides a stable, easily managed sail plan, complemented by slab reefing, Furler headsail furling, and a useful selection of downwind sails. Standing rigging was replaced in 2017. The spacious cockpit features wheel steering and the signature stainless steel stern arch with mainsheet traveller, while an electric windlass and Delta anchor make anchoring simple. Below deck, she offers comfortable accommodation for up to seven, with a large aft cabin, practical galley, and warm teak interior throughout. Powered by a reliable Yanmar diesel engine and equipped with heating, hot water, and a full Raymarine navigation suite, she represents a well-rounded and capable cruising yacht.

Accommodation :

Sleeps 7 in two cabins and the saloon
Double V berth in the forward cabin
Saloon with L-shaped seating to starboard (this converts to a double berth)
Single portside settee berth opposite to port
L-shaped galley to starboard
Separate heads with a hand basin, sea water manual toilet and shower
large aft double berth cabin with cupboard storage

Eberspacher Airtronic D2-12V Cabin heating
Teak and holly style cabin sole boards
Teak interior joinery
Blue upholstery in the saloon, cream-patterned upholstery in the cabins

Forward Cabin:

Double V-berth

Hanging locker

Storage and open shelving
