Divers

Remarks :

"Witchcraft" is an excellent example of the Brig Navigator 610 which has been well maintained by her previous owners with just engine hours and has been professionally serviced and maintained from new.

Built in Ukraine by a team of ex-military aeronautical engineers, the Navigator 610 has been designed as a crossover concept that will appeal to even those who want to challenge the elements. With her deep V hull and extended waterline length, extra-wide tubes and a square bow, the Navigator 610 ensures a stable and dry ride, even at speed. Category C rated she can carry up to 10 passengers in style and safety and, being capable of coastal passages and moderate seas, she will appeal to families and the more adventurous alike.

This Navigator 610, has upgraded military grey ORCA Hypalon tubes; white GRP hull; upgraded Suzuki DF115HP ATL engine; 4 jockey seats and rear bench seat with cushioned back rest in orange luxury weatherproof Silver Tex fabric upholstery; hydraulic steering and Towable S/S polished A-frame with Nav Lights.

It also comes with the "Lux Pack" (overall cover (new), console and seat cover, grey non-slip decking, bow sundeck); S/S folding boarding ladder; Garmin VHF Radio & Antenna and Garmin 65cv GPS plotter.

Please call 01243 550042 to arrange a viewing.
