## Divers

Carronade is a Cory Kent 33. She is a classic British-built cruiser known for its solid construction, practical layout, and comfortable accommodation. Powered by a single engine, she offers straightforward and economical cruising, making her an excellent choice for relaxed coastal trips or weekends on the water. Carronade has been lightly used in recent times due to the owner's ill health and would benefit from a thorough valeting and polish to bring her back to her best. She is not a restoration project, simply a boat that needs some cosmetic attention and general tidying after a period of limited use. With a little care, she will quickly present very well again and be ready to enjoy. Opportunities like this are ideal for buyers looking for a well-built cruiser with plenty of character without needing to undertake major work. A great chance to acquire a Cory Kent 33 that just needs a bit of TLC to shine once more. I will take more photos when she is cleaned, shortly. And some details and inventory still to be confirmed and exactified. **Disclaimer:** The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel.
