## Divers

This specific Lagoon Eighty2 is available and ready for delivery for summer 2026. The flybridge of over 50 m<sup>2</sup> offers a breathtaking view of the horizon.

Equipped with twin helms and with solar panels, the flybridge is also a place for personal expression: it can be furnished to create a space that reflects your style.

The EIGHTY 2 is designed to offer you the best: open access to the ocean.

Aft, the swim platform can reach up to 22 m<sup>2</sup>; when deployed, an extension of the cockpit. Adaptable to suit your preferences and cruising plans, it has been designed to integrate a tender or jet ski, as well as serve as a setting for the most beautiful dives.

### ADMIRE THE HORIZON FROM THE INTERIOR

On the interior, the saloon with flush floorboards facilitates movement about the catamaran. Living spaces have been designed to experience life on board naturally, in complete freedom. Turned toward the exterior, the EIGHTY 2 features the design codes of seaside villas, offering a 360° view to admire the horizon.

### CONTEMPORARY NOTES, TIMELESS DESIGN

The EIGHTY 2 is a yacht where each detail counts. The owner's cabin featuring a king-sized berth and a view of the sea, private terrace, and areas for relaxation is a true private haven.
