Remarks :

We are pleased to bring to the market this 2016 Ribeye S650 fitted with a Yamaha 200hp outboard engine. Finished in the striking red seating which pops against the grey tubing and teak deck. Designed with a deep V-hull, the S650 cuts smoothly through waves while maintaining outstanding stability making it ideal for coastal cruising, watersports or family days out. The high-quality inflatable tubes provide added buoyancy and safety whilst also ensuring a softer more forgiving ride.

This great looking boat provides excellent performance, with a maximum speed of up to 40 knots. She comes well-equipped with Garmin Chart Plotter, Garmin VHF and Fusion Stereo.

There is also a trailer and a full tonneau cover included.
