Divers

Remarks :

An ideal first fast fisher, with a good engine and specifaion. These boats are small enough to trail, but large enough to take you and your friends or family out to your favourite fishing spots for the day. Well maintained by the current owner, she is afloat in a local marina and still in use. She has a good sized rear deck, with door access into the pilothouse, comprising of a helm seat, further seating and storage in the bow. Bow access by raised deck on either side of the pilothouse. Her engine is a serviced Evinrude Etec 75, delivering exeptional power, and excellent fuel economy. She has been serviced in 2025 by Pembroke's longest standing Evinrude expert from our own workshop. Viewing is highly recommended, for this is a great all round package which will not dissapoint. Viewing by appointment. Call Louis at Yachts CO on 01646 278270 or 07709 095683. WhatsApp available.
