Lave-vaisselle : Non
TV : Non

Divers

Remarks :
'Flypast' is an excellent example of the Jeanneau NC9, constructed in 2015 to a 2016 model year. She has a very high specification which includes just some of the following; Raymarine plotter, Raymarine Radar, Raymarine Evolution EV-1 with a P70RS control head Autopilot, Raymarine AIS, Raymarine VHF, Bow thruster, Webasto heating, Teak decking, Electric toilet, copper coated and much more with many updates being made.

Incorporating all the qualities that have made the NC11 a success, the NC9 captures the same attitude on a smaller scale. Ideal for a couple or small family with her two cabins, large saloon and galley she also provides a rather cost effective way into boating as she comes equipped with a single Volvo diesel engine. She has been well looked after by her owners over the years. Comprehensive service history from new we strongly suggest early viewing. Please call us on 01243 550042 to arrange a viewing.
Accommodation :
Forward cabin with double berth, hanging locker, opening porthole and opening deck hatch
Central cabin with double berth, hanging locker and opening porthole
Heads with electric toilet, sink, pull out shower and opening porthole
Saloon seating with flip up backrests to face forward and aft
Telescopic rise and fall table
Webasto heating throughout
Galley with gas oven, sink and microwave
Aft cockpit bench seat with folding table and storage
Inventory :
