Divers

Remarks :

The Oceanis 30.1 is easy to sail but lively to helm and promises new experiences and thrills. This robust little smart cruiser is small enough to trail, opening up endless possibilities for sailing on lakes and rivers, as well as coastal sailing and high sea adventures.

With her hard-chine hull and well-proportioned sides and coachroof, the Oceanis 30.1 looks unashamedly like a small yacht. With her slender bow, optimized weight, stiff canvas and square-top mainsail, she performs well in all points of sailing.

This example comes with the Yanmar 21hp engine, Deep cast keel, upwind & downwind packs, Spinnaker/Code 0 rigging, B&G Electronics, striking Pearl Grey hull plus much more...

Please call 01243 550042 to arrange a viewing.
