Divers

Remarks :
The Seastream 34 is a British-built 34-foot cruising yacht from the late 1970s, designed by Ian Anderson and built by Seastream Yachts Ltd. It’s a traditional heavy-displacement offshore cruiser with a masthead ketch rig and skeg-hung rudder, aimed more at comfortable passage making than racing.

Owners Comments ' I have owned this beautiful Sea Stream for 6/7 years, naming her after my daughter Bella May. She has had a lot of upgrades and upholstery throughout. Very well maintained. Out water every winter. She has had a below water line survey which was done in April 22. She sails very well & always felt very safe in rough conditions. Sadly the time has come to find her a new owner to take her further afield. Sloop rigged with hull number 47. A Vetus M17 42 hp Diesel engine installed new in 2014. Probably one of the most well appointed 34’s out there and almost certainly the best one currently available. Full cockpit enclosure'.

Please contact us on 01243 550042 for more information and to arrange a viewing.
Accommodation :
Accommodation:

Forward master cabin with double berth
Twin bunkbed cabin
Saloon with seating
Galley with storage
Heads with shower
