Divers

<p><p>Freya is a 1982 BostrÃ¶m B31 Mark II Sloop rigged sailing boat.
She was designed by Swedish designer Bruno Bostrom and very well built by Starboats in Denmark.
The original design brief created by the Bostrom Brothers, stipulated that the boat had to be able to crash into rocks at full speed and come away unharmed! Needless to say, Freya has not been put that to the test, but nice to know.
Her engine is a new Yanmar 2YM15 with approximately 100 hours on the clock. She is wheel steered and has a fin keel</p><p>Brokers Comments
Freya is obviously a very well-built Swedish boat. She is in good order.
The boat has hardly been used since the new deck was extremely well fitted and looks splendid.
She will shortly have an "after winter" deep clean and anti-foul, so she will be ready to go.</p><p>The Vendor is open to offers!</p><p>Inventory
