Divers

Remarks :
 Part exchange considered and finance available.
This Beneteau Antares 9.80 offers an excellent opportunity to acquire one of Beneteau's most popular and well-regarded motor cruisers. Featuring the sought-after two-cabin layout, she provides comfortable accommodation for extended stays aboard, complemented by a spacious saloon and separate heads compartment. Externally, she benefits from an attractive blue hull and practical flybridge arrangement, offering excellent visibility and additional seating for family and guests. While the vessel would benefit from some cosmetic attention and general updating in places, she remains a solid and capable cruising boat with plenty of potential for her next owner. Powered by twin Nanni 200hp inboard diesel engines, she delivers dependable performance and economical cruising characteristics, making her equally suited to coastal passages and leisurely weekends afloat. The Antares 9.80 has earned a strong reputation for its seakeeping abilities, practicality and comfortable accommodation, making it a popular choice among cruising enthusiasts.
