The Finnmaster T8 is the perfect example of a sporty but comfortable day cruiser with plenty of social seating and a cabin allowing for overnight stays. Every inch of the boat has been well thought out to maximise space on board. This coupled with her premium finished furnishings means you will struggle to find a comparable boat of this size. This Finnmaster T8 is a well specified example which includes several upgraded extras such as the Yamaha F300HP engine, Fusion stereo and speakers, LED cockpit lights, sundeck cushions, full enclosure, heating and lots more. She has had two owners from new and presents in good well cared for condition throughout. 250hours run time on the Yamaha engine, last service March 2026.
