Divers

Remarks :

Built by Conde and registered in Seychelles, this 17.50-meter power catamaran is a long-range commercial-grade vessel designed for diving cruises and multi-week offshore expeditions. The vessel underwent a complete rebuild in 2019, with all engines, equipment and accessories date from 2018/2019, the only original component on the boat is the 2008 hull itself. The vessel features a 4.90-meter beam, a draft of 2.30 meters, and a maximum displacement weight of 33 metric tons (27 Gross Tons).

Machinery & Performance

Engines: Powered by twin Yanmar 6-cylinder turbo diesel engines producing 440 HP each (880 HP total power), both installed new during the 2018/2019 rebuild.

Speed: Cruising speed of 10 to 14 knots and a maximum speed of 16 to 18 knots.

Capacities: 5,000-litre fuel capacity and 3,000-litre fresh water capacity.

Electrical & Utilities: Equipped with two generators (1 x 24 kVA and 1 x 17 kVA supporting 12V, 220V, and 340V/400V) and two freshwater reverse osmosis watermakers.

System Redundancy: Essential operational systems including generators, watermakers, pumps, air compressors, and navigation equipment are fully duplicated for safety.

Diving & Expedition Equipment

Compressors: Two air compressors on board, including one dedicated Nitrox compressor.

Decompression Chamber: On-board hyperbaric decompression chamber installed in October 2020.

Medical Facilities: Oxygen therapy station supported by a 20,000-litre medical oxygen reserve.

Navigation & Site Location: Equipped with high-definition radar, plotter, GPS, fish finder, depth sounder, sounders/sonars, VHF radio, EPIRB beacon, and Inmarsat satellite communications.

Dive Infrastructure: Dedicated rear preparation area, launching platform with dual water entry/exit ladders, and specialized storage for scuba gear.

Water Toys & Tender: Includes full scuba diving and snorkeling equipment, four underwater scooters, and a 4.00-meter tender boat powered by a 25 HP outboard engine (certified for 10 passengers).

Accommodation & Layout

Cabins: Configured with three private cabins featuring independent air conditioning controls, ventilation, Wi-Fi, and USB charging outlets.

Aldabra: Master cabin with large twin beds, private shower room, and electric toilet.

Granite: Cabin with large twin beds.

Amirantes: Cabin with two single bunk beds.

Heads: Two total shower rooms with electric toilets.

(one private master en-suite and one shared guest head). </p>
<p>Interior Living: Enclosed salon, indoor galley, and primary inside navigation cockpit. </p> <p>Exterior Decks: Covered rear deck with an outdoor dining table and barbecue, upper deck with an outdoor cockpit, a shaded observation deck, and a forward solarium on the bow. </p>
