Offered ex-demo model with significant 20% savings, including commissioning in the south of France.

The Jeanneau Yachts 65 is Jeanneau's luxury sailing range flagship, combining Philippe Briand's naval architecture with Andrew Winch's elegant interior design.
A unique opportunity to acquire this highly specified example featuring the desirable aft owner's cabin layout, shoal draft keel, and extensive comfort upgrades. Highlights include air conditioning, Iro-deck wood side decking, exterior cockpit galley, and a comprehensive Ocean electronics pack with dual Axiom XL displays, radar, AIS, and thermal camera. Performance is enhanced by the smart-looking white furling mast, Code 0 rigging, and electric winches for effortless sail handling. With a generator, bow and stern thrusters, and premium interior finishes, this yacht is fully equipped for extended cruising.

Accommodation
The interior of this Jeanneau Yachts 65 features the sought-after aft owner's cabin layout finished in Alpi® White Oak with “Ambiance Ivory” upholstery. The spacious owner's suite aft offers a large double berth, bedside tables, a dedicated desk, sofa seating, and generous storage, complemented by an ensuite head with a separate shower. Two forward guest cabins provide comfortable berths and private heads, ensuring privacy for family or guests. The yacht also includes a fully equipped skipper cabin in the forepeak with two bunks and its own toilet and shower. The saloon is bright and inviting, with a folding Luxe table on an electric pedestal, two armchairs, and panoramic hull windows. The galley is fitted with Corian countertops, dishwasher, wine cabinet, microwave/grill, extractor fan, and large refrigeration units, making onboard dining a pleasure. Laundry facilities include a washing machine with dryer, while climate control is assured by a full air-conditioning system for all cabins and the skipper cabin. Every detail reflects Jeanneau's commitment to luxury and practicality, creating a refined environment for extended cruising.

Mechanical and Rigging

The boat is equipped for effortless performance and reliability at sea. A Volvo D4-175 HP diesel engine delivers smooth propulsion, paired with a Flexofold four-blade folding propeller for efficient power under load. A powerful Onan 17.5 kW generator ensures autonomy for onboard systems, complemented by additional domestic batteries and inverter. Manoeuvring is simplified with a bow thruster and retractable stern thruster, while electric sea and deck wash pumps add convenience. The yacht features a white painted furling mast with electric forestay furler, Code 0 rigging, and spinnaker fittings for versatile sail plans. Sail handling is optimised by two electric rewind halyard winches and two additional electric genoa winches, making trimming effortless. Premium North Sails tri-radial furling mainsail, self-tacking jib, and Code 0 complete the rigging package.
