Micro-ondes : Oui
Réchaud élèctrique : Non
Lave-linge : Non
Antenne TV : Non
TV SAT : Non

Divers

Broker Remarks
With her distinctive lines and revisited interior design, the Sun Odyssey 415 offers a new vision of comfort on board. Functionality, clever design, and versatility combine to make each cruise an authentic, enriching experience. This model also features a well-considered, accessible price point for exceptional quality, innovation, and design.

The new Sun Odyssey 415 features the hull design of the iconic Sun Odyssey 410. Powerful and elegant, this hull is distinguished by her inverted bow, which stands clear of the water, and her continuous, well-defined hull chine. Designed for family cruising all while ensuring excellent performance, she offers unique sensations at the helm and cruising with full confidence, owing to her twin rudders with self-aligning bearings.

An entirely revisited interior layout is distinguished by an L-shaped galley and an inviting saloon. A forward-facing chart table for two completes a layout that is resolutely turned toward functionality. Ideally situated at the base of the companionway, the L-shaped galley facilitates access to and from the exterior and features plenty of clever and practical storage. The saloon is generously sized, for comfortably accommodating up to five people, and benefits from exceptional natural lighting through windows in the hull.

This specification can be adapted to your personal needs.

This particular example comes with the full benefit of Jeanneau's 7 year hull warranty and 3 year general fixture and fitting warranty along with Yanmar's 3 year engine warranty.

For further information please call 01243 550042.

Accommodation
KEY FEATURES

• One-level interior with no door sills
• Leather-wrapped handrails
• LED lighting

© yachtadvert.com 2026
