<h3 data-start="209" data-end="259">Jeanneau Yacht 55 – Open Factory Specification</h3>
A rare opportunity to acquire a Jeanneau Yacht 55 with an open factory specification, allowing a new owner to tailor the final build to their cruising requirements.
Designed for effortless bluewater sailing, the Yacht 55 combines advanced vacuum-infused construction with a powerful yet easily managed sail plan. Twin rudders, a cast iron keel, and all lines led aft ensure excellent control and confidence, even when short-handed.
Powered by a Yanmar 110hp shaft-drive diesel, and equipped with bow thruster and generator, she offers dependable performance and true cruising autonomy.
The walk-around deck layout, protected cockpit, electric anchor windlass, and large fold-down swim platform create a safe and comfortable outdoor living space, while the tender garage and abundant deck storage enhance practicality for extended cruising.
Below decks, the Yacht 55 delivers exceptional volume, light, and headroom throughout. The layout features a luxurious forward owner's stateroom plus two generous aft cabins, all with en-suite heads, making her equally well suited to private ownership or premium charter use. A bright saloon and well-equipped galley complete a refined and highly functional interior.
A comprehensive Raymarine Offshore electronics package supports confident navigation offshore or coastal.
An outstanding chance to secure one of Jeanneau's flagship cruising yacht with the ability to personalise specification and delivery.
Early enquiry recommended.

Accommodation
Headroom:
Master forward cabin 2,06 m / 6'9" • Companionway 1,99 m / 6'6"
Saloon 2,02 m / 6'7"
