Broker Remarks
We are pleased to bring to market this exceptional Jeanneau Sun Odyssey 440. Lying in Chichester Marina 'Orinoco' is presented in immaculate condition and comes with a very high specification which includes just some of the following; Upgraded 57hp Yanmar common rail engine, Jeanneau's Premier & Preference packs, Raymarine Offshore electronics pack, retractable bow thruster, retractable microwave, teak cockpit floor, teak cockpit table, sprayhood, lifeline gates, downwind package, Code 0 with furler, deluxe saloon table, electric bathing platform, diesel heating, ambiance Weiss upholstery, mooring kit, anchor kit and lots more.

Supplied new by us in September 2021, 'Orinoco' has been lightly used and carefully looked after. Since delivery, she has remained berthed in Chichester Marina and has seen limited sailing consisting of primarily local cruising around the Solent during her first few seasons. As a result, she presents in excellent near-new condition.
This Sun Odyssey 440 is a particularly well-specified example, thoughtfully equipped to offer both performance and onboard comfort, making her equally suited to relaxed coastal cruising or more ambitious passages. She is fully prepared for immediate use allowing her next owner to step aboard and sail away without delay whilst also benefiting from the reassurance of the remaining Jeanneau manufacturer's hull warranty.
With very few opportunities to acquire new, 'Orinoco' represents a rare and compelling opportunity to acquire a highly sought-after yacht without the wait, offering exceptional value and immediate enjoyment on the water.

The Jeanneau Sun Odyssey 440 is a modern 44-foot cruising yacht designed for comfort, ease of handling, and solid sailing performance. It features an innovative, step-free deck layout for safe movement, twin helms and a spacious cockpit making it ideal for both short-handed sailing and relaxed cruising. Below deck, it offers a bright well-appointed interior with three luxurious cabins, a large relaxing saloon and a full galley which provides a comfortable living space for extended time onboard. Well-suited to coastal and offshore cruising, she strikes a strong balance between performance and onboard lifestyle making her particularly popular with private owners.
