Divers

Broker Remarks
The Hustler 32 is a high-performance cruiser-racer that combines style, comfort and speed. Hustler 32's are known for their balanced helm and good pointing ability, giving you exciting up-wind performance. With a cast-iron fin keel, she is a strong and stable half tonner with offshore capability and racing pedigree. She has a wide beam that carries aft, making for a spacious cockpit with a fantastic helm position, all lines lead aft to cockpit and she has an electric windlass.

'Dallow' has been well maintained by her current owner, who has had the engine serviced yearly. The Yanmar 3GM30F, which comes with various spares, has 27 hp, plenty enough to push you through the water at up to 7 knots. 'Dallow' comes equipped with everything needed to sail away immediately, including navigation equipment, both electronic and physical, as well as safety equipment.

Down below the Hustler 32 is well laid out, providing a comfortable saloon, a forward double v-berth and a quarter berth aft, making 5 berths in all. The interior woodwork and uphosltery is in good condition. She is an excellent vessel for those looking to explore coastlines, cross channels or race.

'Dallow' is available to view 7 days a week in Gosport. Please contact Douglas Ross on 07469972705 to arrange a viewing.

Accommodation
The Hustler 32 features a comfortable saloon with settee seating that doubles as berths, a double forward v-berth and a an aft quarter berth.

Heads

Galley with 2 burner stove, oven and refridgerator.
