Easily handled by a small crew thanks to her in-mast furling mainsail, electric genoa furling, and a suite of electric winches, ARTEMIS offers both impressive sailing performance and luxurious comfort below decks.
Her interior features the desirable 3-cabin plus crew layout, comprising a spacious owner's suite aft, two mirrored double guest cabins forward (each with en-suite heads), and an additional day-head at the companionway which also serves the crew cabin in the aft walkthrough.
