Kufra Ketch Motor Sailor ? Rare Bluewater Yacht at an Exceptional Price

Are you looking for a serious, ocean-capable yacht with character, pedigree, and outstanding value? This custom-built Kufra Ketch motor sailer, constructed by the renowned German shipyard Kufra Werft, represents a rare opportunity for experienced sailors and long-distance cruisers who recognize true quality.

Known for top-class German craftsmanship, robust construction, and timeless design, this yacht was built for safe and comfortable offshore passages. She delivers stability, reliability, and excellent sailing performance in a wide range of conditions.

The vessel is registered under the Slovenian flag and certified CE Category A (Ocean), making her fully suitable for demanding bluewater voyages. Thanks to her versatile layout and solid build, she is ideal for liveaboard use, extended ocean cruising, or even charter operations.

Equipment & Condition

The yacht is equipped with high-quality, proven systems, including:

Victron Energy

Mastervolt Charger Master 12V

Fisher Panda generator (ready for installation)

220V solar inverter

Premium Harken deck hardware

The interior is spacious, bright, and well preserved, offering a comfortable and secure atmosphere typical of a true ocean-going yacht. It also provides an excellent platform for further customization to suit the new owner's vision.

Over the past three years, extensive refit work has been carried out on all major systems, including:

Electrical installations

Anchor system

Rigging and sails

Engine and related systems

In addition, a large amount of spare parts and additional materials is included, allowing future upgrades to be completed efficiently and cost-effectively.
