## Divers

**Remarks :**

**Brokers Remarks:**

The Nicholson 32 was in production for 20 years and was one of Camper & Nicholson's most popular models. There were various different models with changes to the hull size and deck moulding. The Nicholson 32 was an affordable serious ocean-going cruiser for sailing enthusiasts due to the strength and seaworthiness&nbsp;of the design.

The Nicholson 32 has beautiful lines, if you appreciate older classic boat design she would fall into this category.

Caladh is a great option for a keen sailor looking for a solid go-anywhere cruising yacht, she is a structurally sound yacht, she has a reliable Yanmar engine which is serviced and winterised each season. She is dry stored each winter and has a stunning river mooring on the River Yealm during the summer months. She does need some updating and some cosmetic work but the asking price is reflective of this.

**Owners Remarks:**

**We have owned Caladh since 2020 and have used her purely for day sailing. She is a delightful yacht to sail, as one would expect from a long keel yacht designed by Charles Nicholson, providing an exceptionally smooth and sea kindly ride for a yacht of this size.**

She works very well as a family cruising boat. The full-forward lines typical of Charles Nicholson designs provides a remarkably comfortable and roomy forecabin and, combined with the settee berths and pilot berth in the saloon, provides plenty of room for a complement of 5. The full lines and heavy displacement enables ample lockers and storage space for gear and provisions for extended cruising.

The engine consumes approximately 1/3 gallon per hour at 5 knots and can comfortably motor across the channel and back without needing to refuel if required.

**Accommodation :**

**Accommodation:**

Sleeps 5 in 2 cabins including the saloon

The forward cabin has a double V berth with infill, these berths are 6'4" long

Amidships heads with Lavac seawater toilet, hand basin with lockers and hanging locker opposite

Saloon with 3 x single berths 6'3" long which includes a pilot berth above the portside single berth&nbsp;

Saloon headroom is a maximum of 6' 0" aft

Galley to port with a stainless steel sink, cool box,&nbsp;2 burner gas hob && grill

Full-size chart table to starboard

Ample storage throughout&nbsp;

Teak interior joinery

Light blue interior upholstery

**Inventory :**

**Navigation Aids:**

**Cockpit;**

Autohelm ST2000 tiller pilot
