## Divers

**Remarks :**

This &nbsp;Hillyard Moonfleet&nbsp;36 was one of the few GRP models to be built by David Hillyard and Laurent Giles. This particular boat has been well looked after and carefully owned by the present owner of 25 years. If your looking for a classic live aboard/family cruiser then this could be the perfect boat for you!

The Hilliard Moonfleet 36 was built by David Hillyard Yachts of Littlehampton to the design of Laurent Giles, who had been commissioned to design a yacht for Mediterranean Cruising by that company. This GRP yacht built by Hillard proved to be a more than capable yacht or comfortable cruiser in sunnier climes, a spacious and light interior lends itself extremely well to he liveaboard.&nbsp;
