Remarks :

Halmatic 30 MkII for sale in Kent offers over **£9,000**

The **Halmatic 30 MkII** is a long-keeled offshore cruising yacht with well-mannered performance and the ability to handle the very worst weather. Easily handled by one or two, these traditionally styled yachts have a surprisingly spacious layout below, with excellent headroom and plentiful of storage. This yacht was sailed **single-handed** around Britain in 2014. This good example has an in-mast main and furling headsail for easy sail handling and has been well maintained, including new standing rigging in December 2022 and continually upgraded and is presented for sale in really nice condition. This yacht was built in 1984 and used as a demonstrator in 1985 by Halmatic before being sold to the first owner in 1986. **Last out of the water May 2025**

The vessel is being sold by way of sealed bid, as is, where is, at the time of sale for offers over £9,000 A copy of the conditions of sale can be obtained upon email request from us.

All sealed bids must be submitted using the appropriate sealed bid submission form by post or email by 12:00 BST on Monday, 20th April 2026. **Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.**

Accommodation :

The accommodation offers up to five berths in two cabins. There is full standing headroom (3') and excellent stowage throughout. In the forecabin V berth with stowage under. Opening hatch to deck. Separate heads to starboard with marine toilet and washbasin. Hanging locker opposite. In saloon, dinette to starboard (converts to double) with settee berth opposite, upholstery finished in blue velvet. Saloon table with opening leaf. Chart table to starboard with galley opposite. Wet hanging locker. Two burner gimballed Taylors paraffin cooker with two rings. Stainless steel sink with pressurised pumped water supply. 30-gallon freshwater capacity in stainless steel tank. Cool box with WAECO compressor and evaporator. Radio/CD player new in 2018. Berths fitted with lee cloths. Heated throughout via an Eberspacher diesel heating system.
